***Welcome Students and Panther Families and Caregivers...***

***To an exciting start of our 2025-2026 school year at Eastland Preparatory Academy!***

I hope your summer was filled with laughter, rest, memorable moments, and I wouldn't be me if I didn't include learning opportunities! Summer offers targeted time to explore the world around us and now it's time to return to a learning environment that fosters those continued experiences!

As we open our doors to a new school year, I am filled with great enthusiasm, optimism, and a strong commitment to all things positive that lies ahead. This school year brings a fresh start, new goals, and a renewed commitment to student learning and growth — this year will be *EPIC!*

At Eastland Preparatory Academy, we are deeply committed to academic excellence and creating an environment where every student feels challenged, supported, and empowered. Our dedicated teachers and staff worked tirelessly this summer preparing meaningful lessons, engaging projects, and dynamic activities designed to inspire curiosity and ignite a passion for learning. Eastland Preparatory Academy fosters an environment where ***Curiosity Roars and Scholars Soar!***

We believe that school is about more than academics — it's about building connections, exploring new experiences, and having fun along the way! Whether through project-based learning, performances, athletics, clubs or community engagement events, we want every student to discover their strengths and shine in their own unique way. This allows every student to possess ***Panther P.R.I.D.E.***

Equally important is the partnership between home and school. Family involvement is a cornerstone of student success, and we are so grateful for the support and encouragement our families provide. Throughout the year, we'll offer opportunities for you to engage — whether it's volunteering in the classroom, attending events, or simply staying in close communication with your child's teacher(s) and our administration team.

Let's work together to make this year one of growth, celebration, and student joy. I can't wait to see the smiling faces of our students filling the hallways, ready to embark on a journey of learning and discovery.

Here's to an incredible year ahead! ***Grrrrrrrrrrrr... Go Panthers!***

With excitement for the school year,

*Ms. Cooksey*

Principal, Eastland Preparatory Academy
